1. Mr. Rhodes (Code 151, Ext. 4311), of the staff of the Senate Armed Services Committee and its Preparedness Subcommittee (who is presently handling the staff work for the Special Subcommittee consisting of Senators Saltonstall, Bridges, and Russell investigating continental defense) called to state that Mr. Robert Sprague, the Special Consultant to the Subcommittee, plans to be in Washington on 17 and 18 November and desires a CIA briefing on 18 November. (He will receive an AEC briefing on 17 November). As far as Mr. Rhodes is aware, this briefing should be on the intelligence aspects of the threat against continental defense. I told Mr. Rhodes I would let him know as soon as possible as to whether such a briefing could be arranged. He stated that Mr. Sprague had already discussed the general situation with General Cutler at NSC and that we could get any information we needed from that source. Mr. Sprague, who was the original designee for Under Secretary of the Air Force, is the brother of a Mr. Sprague who has previously discussed this matter with the DCI.
